

Family Information Service Outreach surgery

The Family Information Service Surgery is a FREE service for parents / carers of children and young people aged 0 - 19 years who require information on a range of early years, childcare and family support services. If you are looking for childcare, help with childcare costs, leisure activities or youth services - perhaps your child wants to join a local dance group, uniform group or attend a sports club then please come along and meet the Family Information Service Outreach Worker who will provide you with a range of information and advice.

Would you like to know where your local Parent, Carer and Toddler group is?

Do you know what help with childcare costs are available to you?

Would you like a rewarding career working in the childcare sector?

For all your questions answered please come along on:

Friday October 2nd 2009

between 10.00am and 12.00pm

at Merthyr Tydfil Central Library

Or for further information
please contact Laurie on 01685 727398
